

Women's Bible Study

Starts October 15

Tuesday's

10-11:30 am

Church Lounge

Christmas break: December 28 to January 4

This is a video series with discussion. If you wish to dig deeper you may purchase the personal guide. (**see details below**)

Even though this is an 8-week study, we are planning to extend it to 16 weeks. Each week will start with a music and prayer time, as in previous years. After this, we will watch a video which will be followed by discussion. The following week will be further discussion of the week before.

<p>Our leaders this year: Georgia, Margaret, and June. <i>Pray for them as they prepare!</i></p>	<p><i>Think we are starting late?</i> Start your dive into Psalms now. There are 150 chapters for you to <i>read, sing and pray.</i></p>

**If you want a printed Guide, Nancy has 7 copies that will be available for \$30.00. You can also buy the e-book edition (includes access to the video) on sites like Kobo and Amazon Kindle for about \$15.00. Our leaders will design our time together so everyone can get something out of the study even if you do not buy your own copy of the guide. An updated version is coming out this fall, so if you buy your own copy, make sure the cover looks like picture at top of page.
